The total number of Meetings attended to by each of the. Member is noted in Appendix 'B' enclosed

P T O

CHAPTER II.

5 Schemes relating to the acquisition of properties:-

The following schemes relating to the acquisition of properties were sanctioned by the Board during the year 1945-46 against 23 during 1944-45:

1) Acquisition of a portion of property bearing D No.454,Block No 60 in Veene Seshanna Street, Krishnaraj Mohalla,Mysore, belonging to Mr A Rangachar as it projects beyond the lane and is very narrow.

2) Acquisition of Door No 886/5 & 886/11 in New Bestageri, belonging to Mr Siddiah & Gardi Siddiah as the same have been constructed on sewage main pipe line and is in a dangerous condition.

3) Acquisition of Door No 610, Block 87, Chamaraj Mohalla, belonging to Mr Krishna Setty as it is in a dilapidated condition and is a nuisance and danger to the neighbours

4) Acquisition of Krishnagara Gardens at the foot of Chamundi Hills measuring about 32 acres in extent for using it as a grazing ground, as cattle grazing in Doddakere, has not only ruined the bed which was improved at great cost but also has caused innumerable cess-pools which have become breeding places for mosquitoes and thus has led to the problem of procuring sufficient milk for children of the City

5) Acquisition of portions of properties bearing D Nos 2272/1, 2138, 2170, 2167, 2169, & 2168, 2166, 2163, 2171 & 2171/1, 2133 in Block No 85 Krishnaraja Mohalla, belonging to Shivaramiah, Kodagi Mutt, Lakshamma, Barmiah, Madappa, Chillreangadi Madappa, Tarkari Subbamma alias Lakshamma, & Rangiah alias Krishniah Setty for opening a 15' wide conservancy

6) Acquisition of properties bearing Door Nos 410,411 & 412,413 and 414 (415,416,417,418, 419 & 420) 421,422,& 422/1 in Block 5 Devaraja Lohalla, belonging to Ranganaikamma, Adirangappa, Bujjanna, Akkichikkanna, for slum clearance

7) Acquisition of properties in the remaining portion of the 2nd stage of acquisition for forming a straight road from Old Elgin Fountain to District Offices

8) Acquisition of property bearing Door No 2918 in Irwin Road, Lashkar Mohalla, belonging to Mr Devoji Rao, as the building is in a dilapidated condition.

9) Acquisition of property bearing Door No 3732 & the vacant bit of land belonging to Mr.Hakim Mohamed Ghouse in Block 3 Mandi Mohalla, for improvement purposes

10) Acquisition of properties bearing Door Nos.1501,1502,1500,1500/1 1500/2 in Block 7, Mandi Mohalla, belonging to Messrs Basaviah S/o,Mogappa, Basaviah,S/o Puttiah, H.L Nanjunda Rao, & Channiah for the construction of public urinal & latrine

11) Acquisition of an extent of 497 sq yds , of/land from Mr Veera-Bhadrappa for Nanjundappa & Sons, for improvement purposes as per opinion of the Government Pleader in his letter No 308 dated 13th November 1945

12) Acquisition of Toddy Shop situated in Nanjaraja Bahadur Choultry compound, Devaraja Mohalla, for construction of Students' Flats

13) Acquisition of properties bearing Door Nos 2129, 2125,to 2128, 2124, 2123, 2094 at the junction of Seebiah lane and cross roads in Block 49 Devaraja Mohalla belonging to Mrs Puttthayamma,M/s Sreenivasiah, Papiah, Mohamed Ghouse and Mohamed Dastagir, for slum clearance and to provide playground for children of the locality

14) Acquisition of properties bearing Door Nos 2291 & 2292 belonging to Madiah S/o Basave Gowda, and Bomre Gowda in Paduvarahalli Village at an estimated cost of Rs.2,211 and R 2,238/- as the said properties come in the way of new road which is under formation

15) Acquisition of portions of properties bearing Door No 1120 and 2895 belonging to Messrs Kasipandit, Madhusudhana Sarma and D Thammiah in Chamundi Extension, Fort Mohalla, at an estimated cost of R.481/- and Rs 580/- for the formation of a circle at the junction of Ramanuja and Viceroy Roads

16) Acquisition of properties bearing Door Nos 2070, 2071/1, 2071, 2072 and 2073, 2074 & 2075, 2076 2084 & 2083 in Block 49 Devaraja Mohalla, belonging to Messrs Nanjappa, Sri Kalamma, Nanjiah, Mohamed Yakoob, Kempiah, Mariappa, Hutchiah, Mariappa and Maridasappa, for slum clearance

17) Acquisition of D Nos 480, 488, 490, & 489 in Block No 64 K R Mohalla, belonging to Sri Yellamma, Sreenivasa Murthy, Venkatasubbiah, Raghavendra Rao for improvement purposes

18) Acquisition of properties bearing D Nos 1158,(1161,1161/1, & 1161/2) 1172, 1160, 1120, 1121, 1224,in Bl 78-79 for slum

clearance.

19) Acquisition of properties bearing Door Nos.775,796,796/1, 797. 798 & 793 in Block 69/B. Sunnadakeri, K.R Mohalla, for slum clearance and for creating lung space

20) Acquisition of Door Nos 98 & 97, 96, 95, 455,102 to 104, 456/A, 456/B, in Block 62, K R Mohalla, between Kempananjamba Agrahar & Thyagaraja Road, for slum clearance.

21) Acquisition of Survey lands belonging to Maragowdanahalli Village to the North of Yadavagiri Extension at an estimated cost of Rs.24,000/- for completing the layout of Yadavagiri Extension

22) Acquisition of property bearing Door No 59 in Devaraja Mohalla, Block 53 & 54 situated to the north of Mission School Building for improvement purposes.

23) Acquisition of Survey land Nos.138,137,134,(a portion) in Mysore Kasaba belonging to M/s Appanna and Inamdar Bakshi Basappaji Urs Bin Channaraj Urs for layout of sites in Chamundi Extension

24) Acquisition of 49 properties in Block No s47 & 56 Devaraja Mohalla as detailed in the preliminary notification for the 4th or the final stage of the scheme for forming a straight road from Elgin Fountain to District Offices at an estimated cost of Rs.1,51,700/-.

25) Acquisition of Survey Nos 149. 145. & 140 of Maragowdanahalli Village for extending the present Jodithenginamara Burial Ground in Ediga Mandi Mohalla at an estimated cost of Rs 7.130.

26) Acquisition of Mulburry Gardens and staff quarters (with ponds) in Fort Mohalla for laying out building sites

27) Acquisition of properties bearing Door Nos F816,817,815 & 814 near Ramanuja Road, Fort Mohalla for improvement purposes and slum clearance

28) Acquisition of properties bearing Door Nos 794 near Ramanuja Road Fort Mohalla, for improvement purposes and slum clearance.

29) Acquisition of property bearing door No.F171 in Block 74 Fort Mohalla belonging to Mr Mallaradhya, for formation of a road and slum clearance

30) Acquisition of property bearing No 3732 in Block No 3 Mandi Mohalla, belonging to Shaik Mahamed Shamshuddin and Lakkasetty.

Including 6 cases pending at the end of 1944-45, the total number of cases pending in the Court at the end of the year was 27.

CHAPTER III

CONSTRUCTION WORKS.

15 Mr H Sundaravaradahcar,B E , was in charge of construction works up to 21-8-45 when Mr R L Raju,B E , succeeded him and continued to hold charge till the end of the official year

16 Works attended to and expenditure incurred.- One hundred and ten works as detailed in the Statement No IV were in progress and the amount spent during the year was 1,16,589/- against the sanctioned grant of Rs 1,40,000/- under "Construction of Drainage and other works "

17 Out of the 110 works, 84 were incomplete works of previous years and the rest were fresh ones taken up during 45-46, as shown in the statement appended below -

No	Particulars of works	Works		Expenditure on		Total
		Old	New	Old works	New works	
				Rs	Rs	Rs
1	Sewage and drainage works	33	6	35,115	3,503	38,618
2	Roads and Streets	20	5	20,292	15,111	35,403
3	Public Attractions	4	2	3,835	9,539	13,374
4	Special works	6	4	5,607	2,978	8,585
5	Miscellaneous works	21	9	18,077	2,532	20,609
	Total	84	26	82,926	33,663	1,16,589

15 House connections - The work of laying underground sewer lines and giving house connections to flush latrines was continued during the year as before 64 free house connections and 45 extra connections or 109 connections were given during the year, as against 77 during the previous year The several underground drainage works executed during the year 45-46 were mainly in (1) Ramanuja Road (2) Dhanvantri Road (3) Saraswatipuram (4) Chamaraja Mohalla and (5) Idiga Extension For all fresh works undertaken by the Trust Board, the Municipality pleaded their inability to contribute any portion of the expenditure

19 Underground drainage works for the entire City including extensions - The establishment sanctioned for surveys of the areas for which underground drainage is still to be provided for, joined duty during October 1945 This staff has so far surveyed and prepared estimates for laying underground sewers in the City and extensions in Mysore as detailed below:-

(i)	Mandi Mohalla (Blocks 14-17)	Rs 1,50,000
(ii)	Lashkar Mohalla (Blocks 18-30)	1,65,000
(iii)	Idiga Blocks 2 & 3	40,000
(iv)	-do- 4 & 5	38,000
(v)	Vanivilaspuram	3,28,000
(vi)	Manantody Extension	68,000
(vii)	Bannimantap "	1,00,000
(viii)	Yadavagiri "	1,07,000
(ix)	Narasimharaja Mohalla	2,35,000
(x)	Out-fall estimate of Idiga valley	80,000
(xi)	Construction of septic tank in the Sewage Farm	83,300
(xii)	Laying underground sewer to K G Koppal	62,000
(xiii)	-do- Industrial Suburbs, Idiga	22,000
	Total	Rs 14,78,300

The surveys in the other areas in the City are being conducted and the estimates therefor simultaneously prepared This is expected to be completed by December 1946 An abstract consolidated estimate amounting to Rs 20,00,000/- for providing under-

underground drainage for all the unsewered areas in the City has been submitted to Government for sanction Out of this sum Rs 5,00,000/- is expected to be met from the three New extension funds, and the balance is proposed to be met by Government The work is programmed to be completed in five years and a sum of Rs 3 lakhs is asked for from Government during every year commencing from 1946-47

20 Schemes relating to construction works.- One hundred and twenty four estimates as detailed in Statement No II (a) were passed by the Board during the year and out of them 83 were sanctioned by Government (Statement No II (b) and the remaining ones were pending at the end of the year

21 Productive works - (1) The estimate for Rs.25,200/- sanctioned for the construction of the 12 model houses in the Ramanuja Road was revised to Rs.38,000/- and sanctioned in G O No L 14663-5/M1 39-45-98 dated 28-6-1946 The contractors' final bills have been settled Out of these 12 houses, 8 houses have been sold and 2 houses were purchased by the Palace The remaining 2 houses are under disposal The disposal of all the above houses is only during 1946-47

(2) The construction of the 26 model houses for sweepers at Jalapuri was in progress. The work is nearing completion The revised estimate for this work is sanctioned for Rs 20,150/- as per G O No L 4214-7/M1 38-46-2 dated 20-9-1946 The Municipality has been addressed to obtain the opinion of the Municipal Council as to whether they are agreeable to purchase the above buildings for further disposal by them and their reply is awaited

The above works (1) and (2) are met from the Narasimharaja Building Funds

CHAPTER IV

22 The properties that were acquired during the year were noted in the Trust Board Register maintained for the purpose.

23 Building sites.- Statement No VI furnishes details of sites available for sale at the beginning of the year under report, sites formed during the year, sites sold and those available for sale at the end of the year.

It will be seen therefrom that 738 sites were available at the beginning of the year and 481 sites were formed during the year, thus making a total of 1219 No sites were resumed during the year 492 sites were sold during the year leaving a balance of 727 at the end of the year

The localities in which these fresh sites were formed are as follows

1 New Ediga Extension
2 Lashkar Mohalla
3 Vanivilaspuram and Yadavagiri Extension
4 Paduvarahalli extension (old)
5 Chamundi "
6 Krishnaraja Mohalla (Sunnadakeri)
7 Bannimantap extension
8 Yadavagiri "
9 Paduvarahalli "

Four hundred and ninety two sites were sold during 45-46 for a total sum of Rs 40,942/- Including instalments etc, due in the year in respect of sites sold during the previous years, a sum of Rs 5,33,523/- was actually realised during the year

Inspite of a number of extensions having been already formed and fresh sites laid out in suitable areas, the number of good and cheap houses in the healthy localities has been found insufficient Several hundreds of applications for sites have had to be left non-complied with In order to relieve congestion in the City, further extensions in Chamundipuram (Niranjanraj Urs garden) and near Kukkarahalli tank (Mekhri's garden), Kesare Block and in Narasimharaja Mohalla are being formed in addition to a large number of sites already formed in Paduvarahalli, Yadavagiri and Bannimantap extensions

(i) Paduvarahalli extension - The total number of sites formed in this extension during the year is 334 The sites are laid out in the area lying vacant to the south of Vonti-

koppal extension and west of Paduvarahalli Village, bounded by Yelwal Road in the South The survey lands necessary were taken possession of from the Revenue Department in March 1944 and all the sites were demarcated An area of about 30 acres was proposed to be acquired from the Jayalakshmivilas Mansion for formation of further sites in that area In the extension already laid out, roads were formed, and culverts were under construction The estimated cost of this extension is Rs 5,30,720/- The outlay incurred to end of June 1946 is Rs 2,32,641/-

The amount of realization by sale of sites in this extension during the year is Rs 2,55,670/- and the up-to-date total realization from the commencement to end of June 1946 is also Rs 2,57,518 (exclusive of interest) There is still a balance of Rs.76,194/- to be recovered and there remained 89 sites to be disposed of The balance at credit of this extension fund at the end of the year was Rs 24,877-4-2

(ii) Yadavagiri Extension - The total number of sites formed in this extension during the year was 52 37 sites were disposed of during the year The estimated cost of formation of this extension is Rs 3,45,000/- The expenditure incurred from the commencement to end of June 1946 is Rs 1,74,263/- The amount of realizations by sale of sites in this extension during 1945-46 is Rs 75,868/- and the total amount realized from the commencement to end of 1945-46 is Rs 2,90,093/- There is still a balance of Rs 16,285/- to be recovered, and there were yet 15 sites to be disposed of Formation of roads, road crossings and culverts were in progress The balance at credit of this extension was Rs 1,16,722/- at end of June 1946

(iii) New Bannimantap Extension - The total number of sites formed in this extension to end of 1945-46 is 80 Out of these 77 sites had been disposed of The realizations during the year was Rs 1,28,574/-(excluding interest)and total up-to-date realizations from the commencement to end of the year is Rs 2,24,024/- There remained a balance of R 29,304/- still to be recovered The estimated cost of this work is Rs 2,05,700 + 80,000 for further

extension to the east of the Elgin Fountain or Rs.2,85,700/-, and the expenditure to end of the year is Rs 1,19,097/- Formation of roads, collection of field metal for metalling roads and road crossings were under progress The balance at credit of this extension fund at the end of June 1946 was Rs 1,04,927/-

(iv) A bird's eye-view, showing how these extensions would look after the buildings are all constructed have been got prepared separately for all these three extensions at a cost of Rs 1,750/-, by the Palace Artist and this has been rightly appreciated by one and all One set of copies is enclosed for the perusal of Government

Separate estimates have been prepared for underground drainage for these extensions, as follows:- and got sanctioned

Paduvarahalli	Rs 2,10,000	(now sanctioned
Yadavagiri	" 1,09,600	by Board)
Bannimantap	" 1,00,000	

by the Board Estimates for water supply to these extensions have been received from the Water Supply Department and these have been referred to the Municipality for needful as lighting and water supply have to be provided for by them

(v) In addition to the above big extensions sites have been demarcated in Niranjanraj Urs garden in Chamundi Extension, Mekhri's garden in Chamaraja Mohalla and Kesare Block in Lashkar Mohalla Roads formation, collection of metal, and road crossings have been under progress

(vi) <u>New Industrial Suburbs near Mysore South Railway-Station.-</u> All the Industrial concerns now located in the several localities in the City are proposed to be shifted to a separate area near Mysore South Railway Station Surveys were being conducted last year The layout plan is being prepared by Mr Krumbiegal, Consulting Architect

The Bamboo Bazaar now located on the New Procession Route is also proposed to be shifted to the Mysore South An extent of 74 acres and 16 guntas of land to accommodate 48

shops etc , is proposed to be acquired and the Deputy Commissioner has been addressed to take necessary action

Funds to the extent of Rs 2¼ lakhs has been placed at the disposal of this office during the current year as an advance, for acquisition of the Bamboo Bazaar

24 Resumption of sites - No sites were resumed during the year As stated in the previous year's report, it has been found necessary to show relaxations in rules in case of failure on the part of purchasers of sites to put up buildings as per approved plans owing to the difficult condition created by War, as the cost of building materials has gone up abnormally However, in the case of sites sold prior to 1942 where the purchasers have not constructed buildings, action is being taken to resume such sites Government have sanctioned a special establishment consisting of a Suboverseer and a Clerk in this connection, but these have not yet joined duty Nevertheless, this work is being got done by the existing establishment in addition to their legitimate duties For completing the work soon, extra establishment is necessary

25 Bits of land - Statement No VII furnishes details of bits of land available at the commencement of the year, those newly formed and sold, with the amount of revenue therefrom In addition to 144 bits of land available for sale at the beginning of the year, 32 new bits were formed during the year, and out of the total of 176 bits, 44 bits were sold for a total sum of Rs 6,536-12-2 At the end of the year 132 bits were available The amount outstanding in respect of bits of land sold at the end of the year was Rs.1,193-0-8 This is being recovered in ~~[illegible]~~ instalments

26 The outstandings in respect of model houses in the extensions at the end of June 1946 are given below -

(i) Gokulam houses	Rs 2,269	8	2
(ii) Value of sites & model houses sold -			
(a) Buildings sites	12,903	1	1
(b) Bits of land	286	5	11
(c) Model houses	5,905	1	0

P T O

(iii) Loans granted for construction of houses	Rs	90	0	0
(iv) Value of old materials outstanding at end of last year has been written off as per G O No 2624-6/M1 95-45-3 dated 29-9-45		880	5	7

Regarding Item No (iii) above, it is to be mentioned that this is a very long standing item, and the whereabouts of the parties are not available Action is being taken to write off this item

27 By the sale of dismantled materials a sum of Rs 6,828/- was realised during 1945-46 A sum of Rs.202-8-0 was also realised by the sale of right of removing the usufruct of trees belonging to the Trust Board

28 The free gifts of lands made during the year for the several institutions for the purpose have been noted in Appendix 'D'

PART II

29 The grant given by the Government to the Trust Board - Statement No VIII furnishes details of the receipts and expenditure under several heads The year opened with an opening balance of Rs.1,01,039/- The receipts from all sources including those under suspense heads, Narasimharaja and Palace Building Funds amounted to Rs.3,66,941/- In addition to this, a sum of Rs.4,62,739/- was realised by sale of sites in the Yadavagiri, Bannimantap and Paduvarahalli Extensions, where there was already an opening balance of Rs 1,55,993/-. For meeting the charges of acquisition of properties in connection with the formation of a new road from Old Elgin Fountain to District Offices, Government sanctioned an advance of Rs.1,50,000/- The aggregate total of all the above receipts, including the opening balance works up to Rs 12,36,712/-

The total expenditure under all heads amounted to Rs 8,81,070/ The closing balance for 1945-46 were as follows -

(a) Trust Board Funds	Rs	44,528
(b) N R B & Palace Funds		3,638
(c) Government Advance for the road from Old Elgin Fountain to District Offices		1,50,000
(d) Extensions		2,46,532
Total	Rs	3,55,642

30 House Building Loans - Statement No X furnishes details of outstandings under this head No fresh loans were granted during the year under report

31 House Building Advances.- No advances were made during the year and there is no balance outstanding under this head

32 The establishment charges viz , salaries and allowances including pensions and contingent charges amounted to Rs 39,045/- against Rs 31,250/- during 1944-45 The increase during the year 1945-46 is due to the following reasons

(a) Filling up the post of a Special Land Acquisition Officer of the status of an Assistant Commissioner in connection with the acquisition of properties for the formation of a straight road from the Old Elgin Fountain to the District Offices

(b) Appointment of an independent Assistant Engineer for the Trust Board only

(c) Appointment of an independent Storekeeper for the Trust Board

(d) Employment of a special establishment consisting of a Sub-Engineer, four Suboverseers and menial staff in connection with the work of surveys for underground connections in the City

Both the Office and Executive Staff continued to work satisfactorily

GENERAL

33 Improving roads and Circles -

(1) N Madhava Rao Circle - The formation of this circle is completed The hotel building belonging to Mr Nanjundappa in the south-east quadrant is also completed The row of shops where the Old Mission School existed is under construction Since Messrs M S Siddappa & Sons who had been permitted to open shops facing the circle after dismantling the front portion of their present building as per approved plan, has not actually done so, it is under consideration to acquire the existing building to the Trust Board The expenditure to end of June 1946 on this work is Rs 1,773/- against the estimated amount of Rs 2,700/-

(2) Square in front of Motilal Talkies:- All the properties required in connection with the formation of this circle have been acquired The expenditure to end of June 1946 on this work is Rs.10,310/- Further payments on account of acquisition of the acquired properties were made during 1946-47, to the extent of Rs.26,230/-, against the estimated amount of Rs.36,540/-

(3) Forming a circle at the junction of Viceroy Road and Dhanvantri Road - The amount of the estimate for this work is Rs.2,400/- The outlay to end of June 1946 is Rs 1,415/- The work is now completed

(4) New Santepet and Filling up Poorniah Nala - No work was done in this direction during 1945-46 As the Railway Department have recently consented to give cinders free of cost, the portion of Poorniah Nala in front of the New Santepet is being filled in.

(5) As stated in the last year's report, since the New Procession Route passes through the New Bamboo Bazaar Road and it is considered not desirable to stock bamboos, timber and such other inflamable materials on this road, it has been finally ordered by Government that this Bamboo Bazaar should be shifted to the Mysore South It is estimated that the probable cost of acquisition of the existing shops will be about Rs 2 2 lakhs A layout plan for providing 48 sites in the proposed new area, near Mysore South to accommodate the Bamboo Merchants, received from the Consulting Architect is approved by the Board An estimate for Rs 31,385/- for acquiring the survey lands in the Mysore South is approved by the Trust Board during July 1946

(6) Formation of a straight road to Yadavagiri Extension across Poorniah Nala and forming approach road.- The work is in progress An outlay of Rs 4,041/- has been incurred during September 1946, when the work is completed This road will afford a very short cut to Yadavagiri and Vanivilaspuram extensions

(7) Forming New Dhanvantri Road to the South of K R Hospital compound - The estimated cost of the acquisition of 36 properties required for formation of shops on this road is Rs.60,000/- and for dismantling is R 6,000/-. The properties are in the awarding stage

For the road portion two estimates, one for road crossing Rs.6,850/- and the second for metalling the road Rs 4,960/- have been sanctioned and the works are in progress and expenditure of Rs 2,146/- and Rs 1,914/- respectively have been incurred to end of June 1946,

(8) Forming road between Seshadri Iyer and Viceroy Roads - This road is completed in all respects The total expenditure on this work is Rs 19,251/- against the sanctioned estimate of Rs 18,500/-

(9) Improvements to New Bannimantap Route.- The metalling of the road, forming circle, curbing foot-paths, cutting and forming the high mound on the right side of the road beyond the Municipal Choultry had been completed during 1944-45 only The construction of stone gallery was taken up and completed The permanent band stand was also finished Ornamental tree guards for the avenue plants were provided Some more works, not provided in the originally sanctioned estimate of Rs 96,000/-, but found absolutely necessary for the completion of the road costing Rs 80,000/- has been executed and the detailed estimate for this has been sanctioned by Government The most important items of works referred to above are:-

(a)	Constructing open drain and shoulder drains costing	Rs 17,500
(b)	Constructing steps and rockery round the Band Stand	5,940
(c)	Providing flight of steps to the Band Stand	4,000
(d)	Widening the foot-paths from 9th to 13th furlongs	9,940
(e)	Widening the loop road from Old Ooked to Bannimantap	4,930
(f)	Constructing Cistern and erection of Elgin Fountain	7,500
(g)	Sinking well and inserting pipes	13,800

(10) Widening the Foot-path on either side of Viceroy Road between the Railway Station Circle and the newly formed circle in Dhanvantri Road:- The sanctioned estimate of Rs 8,750/- had to be revised to Rs 21,400/- . This work has been nearly completed The statement of works show the progress secured on the deveral works taken up during the year

34 Block Plan Surveys of Mysore City:- The printing of the contour maps of 99 old blocks of the City and 39 blocks of the extensions, for which Government sanctioned a sum of Rs 2700/- is since completed and the maps were received from the press during 1946-47

35 Resume of works in the Mysore City Improvement Trust Board - This resume which is under compilation by Mr B R Manickam, Trust Board Engineer (now Assistant Secretary to Government P W D) is not yet received from him As requested by the Assistant Engineer, the services of a Typist from the Public Works Secretariat was placed (part time) at his services for one month for typing the resume But the work is not yet completed by him and the resume is not received in this office

36 Special Schemes - (i) Formation of a direct road from Old Elgin Fountain to District Offices:- The estimated cost of this road is Rs.8,20,000/- But it has been ordered by Government that the 1st and 2nd stages of the work (i.e.,up to Banumiah Road) may be taken up first pending further orders of Government re funds for further works The cost of acquisition of the properties for the 1st & 2nd stages as awarded by the Special Land Acquisition Officer is Rs 3,13,464/- for all the 74 properties to be taken possession of Government have sanctioned an advance of Rs 1,50,000/- during 1945-46 and a further advance of Rs 1,40,000/- during 1946-47 reference has been made to Government for a further advance of R 23,484/- Apart from the acquisition charges, the cost of the regular establishment as well as the temporary work establishment is to be charged to this scheme The dismantling of the properties is just

started At present, this scheme is assumed to be self-supporting as the realisations by sale of shop sites round the Statue Square and along the proposed straight road is expected to meet the cost of this scheme But as the owners of the properties now acquired have demanded compensation amounts much in excess of the amounts of awards now passed by the Special Land Acquisition Officer, it is likely that the final acquisition charges, to be decided by the Court, will be more than the amount now awarded In that case, this will not be a self-supporting scheme

The realizations from the dismantling materials are expected to amount to a lakh of rupees

(ii) Improving the Anesarote road to the west of the Devaraja Market.- This is an important scheme involving slum clearance work in a prominent locality But for want of necessary funds to the extent of Rs 70,000/- it has not been possible to undertake this scheme even this year

(iii) Improving Makkaji Chowk - This is an important scheme of improvement in the City It consists of old and unsighly properties in the form of a triangle situated to the east of Sayaji Rao Road just beyond the Curzon Gate and to the north of Sivarampet road leading to Gandhi Square The acquisition of these properties had been approved by the Board Due to the very heavy cost of acquisition, and want of funds the scheme is deferred for the present It is very essential that this congested and ugly triangle is acquired at once in the interest of sanitation and for providing moving space to the public who resort to the Devaraja Market and Sayaji Rao Road particularly in the evenings

(iv) Shifting Kurubarahalli Village.- This Village is in close proximity to the Lalitha Mahal, Mysore Horse and His Highness Body Guard It has been in an insanitary condition, being a source of infection every now and then -Hence this Village has been proposed to be shifted near Kyathamanahalli Village An estimate for Rs.70,000/- has been sanctioned for this work and

special grant allotted by Government The properties of this Village are under award and the sites have been laid out, roads formed and wells sunk

37 Special Schemes under consideration -

(i) Improving Madigakeri in Mandi Mohalla - Estimate Rs 10,000/-. An estimate amounting to R 10,000/- had been forwarded to Government in this office No D2 C 240/45-46 dated 24th February 1946, stating that the work cannot be taken up by the Municipality or the Trust Board for want of funds from their normal grant Government have intimated that the work relating to metalling of road (Rs 3,000/-) and repairs to the drains (Rs 2,200/-) are to be attended to purely by the Municipality They have ordered that if the Municipality agree to bear half of the remaining portion of the estimate, Government would consider the question of granting the other half The opinion of the Municipality has been called for on the above points

(ii) Improving Jalapuri Extension - Estimate Rs 9,650/- - Government have already accorded sanction to this estimate, with the observation that the Municipality has to meet half the estimated cost of constructing bath rooms and well (Rs 2,325/-) vide G O No L 13-17 dated 1-10-46. The Municipality has been addressed in the matter of depositing Rs 2,325/- with this office The work will be started early

(iii) Improvements to Adikarnatakapuram at Mysore - Estimate Rs.25,000/- - Government have, in their letter No.L 1340 dated 30-5-1946 stated that half of the cost of this estimate viz , Rs 12,500/- will be provided for from State Funds, and that the other half has to be borne by the Municipality The Municipality has agreed to this The work will be started very early

(iv) Tarring important roads in the City - Estimate Rs 2,26,000.- This work has since been arranged to be executed by the Municipality

(v) Treatment of tanks in & around Mysore City for anti-mala-

rial treatment - Estimate R 1,40,000/- & since modified to R 69,000/- - An estimate for Rs 1,40,000/- had been submitted to Government for the above work It was returned by them for resubmission after further scrutinizing the same and omitting such of the items as have already been completed As per suggestions of the Chief Engineer for Irrigation during his inspection with the Chief Engineer for Roads & Buildings and the Chairman, City Improvement Trust Board, the estimate is modified and sent to him, with this office No D3 C 105/46-47 dated the 26th October 1946

(vi) Cement concreting Narasimharaja Boulevard - Estimate Rs 35,500/- - This is an important road frequently visited by distinguished guests and leading to Lalithamahal Hence this work is urgent An estimate for R 35,500/- has been forwarded to Government in this office No D2 C 243/45-46 dated 24th February 1946, the cost being proposed from special fund to be sanctioned by Government

(vii) Metalling Krishnaraja Boulevard - Estimate R 33,500/- - An estimate for Rs 33,500/- has been forwarded to Government in this office No D2 C 290/45-46 dated the 29th March 1946 Government have stated that the Chief Engineer for Roads and Buildings has scrutinized the estimate for Rs 32,000/- only The estimate is ordered to be resubmitted to Government after the Budget for 1946-47 is sanctioned to see what amount would be possible to be provided for this work during the year As the Budget estimate is received sanctioned, the above estimate is being resubmitted to Government separately

(viii) Pre-mixing with tar the Hyderali Road - Estimate R 9,500 An estimate for R 9,500/- had been forwarded to Government in this office No D2 C 321/45-46 dated the 13th April 1946 The estimate is reported to have been strutinized for Rs 9,900/- only by the Chief Engineer for Roads and Buildings and it is ordered that fund required for this work has to be got by re-appropriation of sanctioned grants But as the grant sanctioned by Government in the current year's budget are not sufficient to meet such large item

of work, it is necessary that special funds are provided for this work by Government

(ix) Construction of additional septic tank near Sewage Farm - Estimate Rs 80,500/- - The existing septic tank, which was constructed about 30 years ago is now found to be quite inadequate due to the increased population of the City It is found necessary to provide an additional septic tank to treat the increased quantity of sewage work An estimate for Rs 80,500/- had been submitted on 8th June 1946 for the additional septic tank but it was returned by Government in their No 1439/E & P , dated the 31st July 1946 for resubmission after the Budget for 1946-47 is sanctioned This is therefore retransmitted to Government for sanction on 16th November 1946

(x) Shifting of the burial ground near Chamundi Hills - Estimate Rs 40,000/- = The existing burial ground which is very close to the City had been proposed to be shifted to the foot of the Chamundi Hills But the Municipal Council did not approve of this proposal as it is said to involve great inconvenience and hardship to the public Hence this question has been dropped for the present

(xi) Providing silk pattern drain of 5' wide in the Poorniah Nala for conveying sullage water up to the crossing Kumbarkoppal Road - Estimate Rs 25,000/- - This item of work is quite necessary to improve the health of the locality Government have sanctioned this estimate for Rs 25,000/- in their Order No L 7441-3/M1 38-46-20 dated the 21st November 1946 with instructions to meet the expenditure out of Yadavagiri and Bannimantap Extension Funds

(xii) Canalising the halla behind the Jail buildings - Estimate Rs.7,500 - Due to the insanitary condition in this locality and to improve the health of the surrounding area, this work is proposed. The halla is proposed to be canalized and formed with a storm water drain by protecting the sides with rough stone The cost of this work which is estimated at Rs 7,500/- has to be provided for separately by Government, as it is not possible to find funds for this in the

normal budget (This is since ordered to be taken up by the Municipality vide Revenue Secretary's letter No L 7435 dated the 20th November 1946)

The total number of meetings attended to by each of the Member is noted in Appendix 'B' enclosed.

P.T.O.

CHAPTER II.

5 Schemes relating to the acquisition of properties:-

The following schemes relating to the acquisition of properties were sanctioned by the Board during the year 1945-46 against 23 during 1944-45.-

1) Acquisition of a portion of property bearing D.No.454, Block No.60 in Jagadeshwara Street, Krishnaraj Mohalla, Mysore, belonging to Mr. P. Ramachar as it projects beyond the lane and is very narrow.

2) Acquisition of Door No.886/5 & 886/11 in New Restaurant, belonging to Mr. Abdullah & Qadri Abdullah as the same have been constructed on sewage main pipe line and is in a dangerous condition.

3) Acquisition of Door No.610, Block 87, Chamaraj Mohalla, belonging to Mr. Krishna Setty as it is in a dilapidated condition and is a nuisance and danger to the neighbours.

4) Acquisition of Krishnagara Garden, at the foot of Chamundi Hills measuring about 32 acres, in extent for using it as a ~~main~~ grazing ground, as cattle grazing in Doddakere, has not only ruined the bund which was improved at great cost but also has caused innumerable cess-pools which have become breeding places for mosquitoes and thus has led to the problem of procuring sufficient milk for children of the City.

5) Acquisition of portions of properties bearing D.Nos.2272/1, 2173, 2153, 2170, 2167, 2168, & 2163, 2166, 2165, 2161 & 2171/1, 2130 in Block No.85 Krishnaraj Mohalla, belonging to Shivaramaiah, Kowagi Mutt, Lakshamma, Bammah, Keshappa, Chalivangali Ma appa, Sarkari Subbamma alias Lakshamma, & Ranganath alias Krishnaiah Setty for opening a 15' wide conservancy.

6) Acquisition of properties bearing Door Nos.410, 411 & 412, 413 and 414 (415, 416, 417, 418, 419 & 420) 421, 422, & 422/1 in Block 5 Devaraja Mohalla, belonging to Ramanaikamma, Adilingappa, Pujjanna, Abbinaikamma, for slum clearance.

7) Acquisition of properties in the remaining portion on the 2nd stage of acquisition for forming a straight road from Old Eagle Fountain to District Offices.

8) Acquisition of property bearing Door No.2918 in Irwin Road, Lashkar Mohalla, belonging to M. Devoji Rao. as the building is in a dilapidated condition.

9) Acquisition of property bearing Door No.2732 & the vacant bit of land belonging to Mr. Harim Mohamed Ghouse in Block 3 Mandi Mohalla, for improvement purposes.

10) Acquisition of [illegible] Sy. No. 1501, 1502, 1500, 1500/1 [illegible] in Block 7, [illegible] 114, [illegible] to Messrs Basaviah S/o, Mogappa, Basaviah, S/o Puttiah, [illegible], & Channaiah for the construction of public drainage & laterine.

11) Acquisition of an extent of 497 sq. yds. of [illegible] land in Sy. Veera-Bhadrappa for [illegible] Sons, for [illegible] purposes as per [illegible] in [illegible] No. 608 dated 10th November 1965.

12) Acquisition of Toddy Shop situated in [illegible] Choultry compound, Devaraja [illegible], for construction of Student Flats.

13) Acquisition of properties bearing Sy. Nos. 2125, 2126, to 2128, 2124, 2123, 2094 at the junction of Sebiar [illegible] and cross roads in [illegible] Devaraja Mohalla belonging to Smt. [illegible] Lakshmamma, M/s. Basaviah, Puttiah, [illegible] Mohamed [illegible] and [illegible] pastures, [illegible] and to provide playground for children of the locality.

14) Acquisition of [illegible] properties bearing Sy. No. 2012 belonging to [illegible] S/o [illegible], and [illegible] in Privarahalli village at an estimated cost of [illegible] as the said properties [illegible] the way of a road which is under formation.

15) Acquisition of portion of properties bearing Sy. No. 1120 and 2016 belonging to [illegible] Basappanahalli, [illegible] Sahra and [illegible] Chandra [illegible], for [illegible] at the junction of [illegible] road.

16) Acquisition of [illegible] Sy. No. 2070, 2071/1, 2071, 2072 and 2073, 2074 & 2075, 2076 & 2084 [illegible] Devaraja Mohalla, belonging to [illegible] Fakeer, [illegible], [illegible] Mohammad, [illegible] Mariappa, for [illegible].

17) [illegible] Sy. No. 641 P. Mohalla, belonging to [illegible], [illegible] and [illegible], Venkatabhatta, [illegible] for [illegible].

18) Acquisition of properties bearing Sy. Nos. 1158, (1161, 1161/1, & 1161/2) 1172, 1160, 1120, 1121, 1224, in Bl 78-79 for slum

clearance.

19) Acquisition of properties bearing Door Nos.775,796,796/1, 797, 798 & 793 in Block 69/B, Sunnadakeri, K.R.Mohalla, for slum clearance and for creating lung space.

Including 6 cases pending at the end of 1944-45, the total number of cases pending in the Court at the end of the year was 27.

CHAPTER III.

CONSTRUCTION WORKS:

15. Mr.H.Sundaravaradahcar,B.E., was in charge of construction works up to 21-8-45 when Mr.R.L.Raju,B.E., succeeded him and continued to hold charge till the end of the official year.

16. Works attended to and expenditure incurred:- One hundred and ten works as detailed in the Statement No.IV were in progress and the amount spent during the year was 1,16,589/- against the sanctioned grant of Rs.1,40,000/- under "Construction of Drainage and other works."

17 Out of the 110 works, 84 were incomplete works of previous years and the rest were fresh ones taken up during 45-46 as shown in the statement appended below:-

No	Particulars of works.	Works. Old	Works. New	Expenditure on Old works	Expenditure on New works.	Total.

	Total.	84	26	82,926	33,663	1,16,589

P.T O.

15. House connections:- The work of laying underground sewer lines and giving house connections to flush latrines was continued during the year as before. 64 free house connections and 45 extra connections or 109 connections were given during the year as against 77 during the previous year. The several underground drainage works executed during the year 45-46 were mainly in (1) Ramanuja Road (2) Dhanvantri Road (3) Saraswatipuram (4) Chamaraja Mohalla and (5) Idiga Extenion. For all fresh works undertaken by the Trust Board, the Municipality pleaded their inability to contribute any portion of the expenditure.

19. Underground drainage works for the entire City including extensions:- The establishment sanctioned for surveys of the areas for which underground drainage is still to be provided for, joined duty during October 1945. This staff has so far surveyed and prepared estimates for laying underground sewers in the City and extensions in Mysore as detailed below:-

(i)	Mandi Mohalla (Blocks 14-17)	..	Rs. 1,50,000
(ii)	Lashkar Mohalla (Blocks 18-30).	..	1,65,000
(iii)	Idiga Blocks 2 & 3.	..	40,000
(iv)	-do- 4 & 5.	..	38,000
(v)	Vanivilaspuram.	..	3,28,000
(vi)	Manantody Extension.	..	68,000
(vii)	Bannimantap "	.	1,00,000
(viii)	Yadavagiri "	..	1,07,000
(ix)	Narasimharaja Mohalla.	..	2,35,000
(x)	Out-fall estimate of Idiga valley	..	80,000
(xi)	Construction of septic tank in the Sewage Farm.	..	83,300
(xii)	Laying underground sewer to K.G.Koppal.		62,000
(xiii)	-do- Industrial Suburbs, Idiga.		22,000
	Total	..	Rs. 14,78,300

The surveys in the other areas in the City are being conducted and the estimates therefor simultaneously prepared. This is expected to be completed by December 1946. An abstract consolidated estimate amounting to Rs.20,00,000/- for providing under-

underground drainage for all the unsewered areas in the City has been submitted to Government for sanction. Out of this sum Rs.5,00,000/- is expected to be met from the three new extension funds, and the balance is proposed to be met by Government. The work is programmed to be completed in five years and a sum of Rs.3 lakhs is asked for from Government during every year commencing from 1946-47.

20. Schemes relating to construction works:- One hundred and twenty four estimates as detailed in Statement No.II (a) were passed by the Board during the year and out of them 83 were sanctioned by Government (Statement No.II (b) and the remaining ones were pending at the end of the year.

21. Productive works:- (1) The estimate for Rs.25,200/- sanctioned for the construction of the 12 model houses in the Ramanuja Road was revised to Rs.38,000/- and sanctioned in G.O. No.L.14663-5/Ml.39-45-98 dated 28-8-1946. The contractors' final bills have been settled. Out of these 12 houses 8 houses have been sold and 2 houses were purchased by the Palace. The remaining 2 houses are under disposal. The disposal of all the above houses is only during 1946-47.

(2) The construction of the 26 model houses for sweepers at Jalapuri was in progress. The work is nearing completion. The revised estimate for this work is sanctioned for Rs.20,150/- as per G.O.No.L.4214-7/Ml.38-46-2 dated 20-9-1946. The Municipality has been addressed to obtain the opinion of the Municipal Council as to whether they are agreeable to purchase the above buildings for further disposal by them and their reply is awaited.

The above works (1) and (2) are met from the Narasimharaj Building Funds.

CHAPTER IV.

22. The properties that were acquired during the year were noted in the Trust Board Register maintained for the purpose.

23. Building sites:- Statement No.VI furnishes details of sites available for sale at the beginning of the year under report, sites formed during the year, sites sold and those available for sale at the end of the year.

It will be seen therefrom that 738 sites were available at the beginning of the year and 483 sites were formed during the year, thus making a total of 1219 No sites were resumed during the year. 492 sites were sold during the year leaving a balance of 727 at the end of the year.

The localities in which these fresh sites were formed are as follows:-

1. New Ediga Extension.
2. Lashkar Mohalla.
3. Vanivilaspuram and Yadavagiri Extension.
4. Paduvarahalli extension (old).
5. Chamundi "
6. Krishnaraja Mohalla (Sunnadakeri).
7. Bannimantap extension.
8. Yadavagiri "
9. Paduvarahalli "

Four hundred and ninety two sites were sold during 45-46 for a total sum of Rs.40,942/-. Including instalments etc, due in the year in respect of sites sold during the previous years, a sum of Rs.5,33,523/- was actually realised during the year.

Inspite of a number of extensions having been already formed and fresh sites laid out in suitable areas, the number of good and cheap houses in the healthy localities has been found insufficient. Several hundreds of applications for sites have had to be left non-complied with. In order to relieve congestion in the City, further extensions in Chamundipuram (Niranjanraj Ur- garden) and near Kukkarahalli tank (Makhri's garden), Kesare Block and in Narasimharaja Mohalla are being formed in addition to a large number of sites already formed in Paduvarahalli, Yadavagiri and Bannimantap extensions.

(i) Paduvarahalli extension:- The total number of sites formed in this extension during the year is 334. The sites are laid out in the area lying vacant to the south of Vonti-

koppal extension and west of Paduvarahalli Village, bounded by Yelwal Road in the South. The survey lands necessary were taken possession of from the Revenue Department in March 1944 and all the sites were demarcated. An area of about 30 acres was proposed to be acquired from the Jayalakshmivilas Mansion for formation of further sites in that area. In the extension already laid out, roads were formed, and culverts were under construction. The estimated cost of this extension is Rs.5,30,720/- The outlay incurred to end of June 1946 is Rs.2,32,641/-

The amount of realization by sale of sites in this extension during the year is Rs.2,55,670/- and the up-to-date total realization from the commencement to end of June 1946 is also Rs.2,57,518 (exclusive of interest). There is still a balance of Rs.76,194/- to be recovered and there remained 89 sites to be disposed of. The balance at credit of this extension fund at the end of the year was Rs.24,877-4-2.

(ii) Yadavagiri Extension:- The total number of sites formed in this extension during the year was 52. 37 sites were disposed of during the year. The estimated cost of formation of this extension is Rs.3,45,000/-. The expenditure incurred from the commencement to end of June 1946 is Rs.1,74,203/-. The amount of realizations by sale of sites in this extension during 1945-46 is Rs.75,868/- and the total amount realized from the commencement to end of 1945-46 is Rs.2,90,093/-. There is still a balance of Rs.16,285/- to be recovered, and there were yet 15 sites to be disposed of. Formation of roads, road crossings and culverts were in progress The balance at credit of this extension fund was Rs.1,16,728/- at end of June 1946.

(iii) New Bannimantap Extension:- The total number of sites formed in this extension to end of 1945-46 is 30. Out of these 77 sites had been disposed of. The realizations during the year was Rs 1,28,574/-(excluding interest)and total up-to-date realizations from the commencement to end of the year is Rs.2,24,021/-. There remained a balance of Rs.29,204/- still to be recovered. The estimated cost of this work is Rs.2,05,700 + 80,000 for further

extension to the east of the Elgin Fountain or Rs.2,85,700/-, and the expenditure to end of the year is Rs.1,19,097/-. Formation of roads, collection of field metal for metalling roads and road crossings were under progress. The balance at credit of this extension fund at the end of June 1946 was Rs.1,04,927/-.

(iv) A bird's eye-view, showing how these extensions would look after the buildings are all constructed have been got prepared separately for all these three extensions at a cost of Rs.1,750/-, by the Palace Artist and this has been rightly appreciated by one and all. One set of copies is enclosed for the perusal of Government.

Separate estimates have been prepared for underground drainage for these extensions, as follows:- and got sanctioned

Paduvarahalli	..	Rs.2,10,000 (now sanctioned
Yadavagiri	..	" 1,09,600 by Board).
Bannimantap	..	" 1,00,000

by the Board. Estimates for water supply to these extensions have been received from the Water Supply Department and these have been referred to the Municipality for needful as lighting and water supply have to be provided for by them.

(v) In addition to the above big extensions. sites have been demarcated in Niranjanraj Urs garden in Chamundi Extension, Mekhri's garden in Chamaraja Mohalla and Kesare Block in Lashkar Mohalla. Roads formation, collection of metal, and road crossing have been under progress.

(vi) <u>New Industrial Suburbs near Mysore South Railway-Station:-</u> All the Industrial concerns now located in the several localities in the City are proposed to be shifted to a separate area near Mysore South Railway Station. Surveys were being conducted last year. The layout plan is being prepared by Mr.Krumbiegal, Consulting Architect.

The Bamboo Bazaar now located on the New Procession Route is also proposed to be shifted to the Mysore South. An extent of 74 acres and 16 guntas of land to accommodate 48

shops etc., is proposed to be acquired and the Deputy Commissioner has been addressed to take necessary action.

Funds to the extent of Rs.2½ lakhs has been placed at the disposal of this office during the current year as an advance, for acquisition of the Bamboo Bazaar.

24. Resumption of sites:- No sites were resumed during the year. As stated in the previous year's report, it has been found necessary to show relaxations in rules in case of failure on the part of purchasers of sites to put up buildings as per approved plans owing to the difficult condition created by War, as the cost of building materials has gone up abnormally. However, in the case of sites sold prior to 1942 where the purchasers have not constructed buildings, action is being taken to resume such sites. Government have sanctioned a special establishment consisting of a Suboverseer and a Clerk in this connection, but these have not yet joined duty Nevertheless, thiz work is being got done by the existing establishment in addition to their legitimate duties. For completing the work soon, extra establishment is necessary.

25. Bits of land:- Statement No.VII furnishes details of bits of land available at the commencement of the year, those newly formed and sold, with the amount of revenue therefrom. In addition to 144 bits of land available for sale at the beginning of the year, 32 new bits were formed during the year. and out of the total of 176 bits, 44 bits were sold for a total sum of Rs.6,536-12-2. At the end of the year 132 bits were available. The amount outstanding in respect of bits of land sold at the end of the year was Rs.1,193-0-8 This is being recovered in ~~xxxxxxxxxxxx~~ instalments.

26. The outstandings in respect of model houses in the extensions at the end of June 1946 are given below:-

(i) Gokulam houses. ..	Rs. 2,269	8	2
(ii) Value of sites & model houses sold:-			
(a) Buildings sites. ..	12,903	1	1
(b) Bits of land. ..	286	5	11
(c) Model houses. ..	5,905	1	0

P.T.O.

(iii) Loans granted for construction of houses. ..	Rs.	90	0	0
(iv) Value of old materials outstanding at end of last year has been written off as per G.O.No.2624-6/Ml 95-45-3 dated 29-9-45. ..		880	5	7

Regarding Item No.(iii) above, it is to be mentioned that this is a very long standing item, and the whereabouts of the parties are not available. Action is being taken to write off this item.

27. By the sale of dismantled materials a sum of Rs.6,828/- was realised during 1945-46. A sum of Rs.202-8-0 was also realised by the sale of right of removing the usufruct of trees belonging to the Trust Board.

28. The free gifts of lands made during the year for the several institutions for the purpose have been noted in Appendix 'D'.

PART II.

29. The grant given by the Government to the Trust Board:- Statement No VIII furnishes details of the receipts and expenditure under several heads. The year opened with an opening balance of Rs.1,01,039/-. The receipts from all sources including those under suspense heads, Narasimharaja and Palace Building Funds amounted to Rs.3,66,941/-. In addition to this, a sum of Rs.4,62,739/- was realised by sale of sites in the Yadavagiri, Bannimantap and Paduvarahalli Extensions, where there was already an opening balance of Rs.1,55,993/-. For meeting the charges of acquisition of properties in connection with the formation of a new road from Old Elgin Fountain to District Offices, Government sanctioned an advance of Rs.1,50,000/- The aggregate total of all the above receipts, including the opening balance works up to Rs.12,26,712/-.

The total expenditure under all heads amounted to Rs.8,31,070/-. The closing balance for 1945-46 were as follows:-

(a) Trust Board Funds. ..	Rs.	44,528
(b) M.R.B.& Palace Funds. ..		3,638
(c) Government Advance for the road from Old Elgin Fountain to District Offices...		1,50,000
(d) Extensions. ..		2,46,532
Total.	Rs.	3,55,642

30. House Building Loans:- Statement No,X furnishes details of outstandings under this head. No fresh loans were granted during the year under report.

31 House Building Advances:- No advances were made during the year and there is no balance outstanding under this head.

32. The establishment charges viz., salaries and allowances including pensions and contingent charges amounted to Rs.39,045/- against Rs.31,250/- during 1944-45. The increase during the year 1945-46 is due to the following reasons:-

(a) Filling up the post of a Special Land Acquisition Officer of the status of an Assistant Commissioner in connection with the acquisition of properties for the formation of a straight road from the Old Elgin Fountain to the District Offices.

(b) Appointment of an independent Assistant Engineer for the Trust Board only.

(c) Appointment of an independent Storekeeper for the Trust Board.

(d) Employment of a special establishment consisting of a Sub-Engineer, four Suboverseers and menial staff in connection with the work of surveys for underground connections in the City.

Both the Office and Executive Staff continued to work satisfactorily.

GENERAL.

33. Improving roads and Circles:-

(1) M.Madhava Rao Circle:- The formation of this circle is completed. The hotel building belonging to Mr.Nanjundappa in the south-east quadrant is also completed. The row of shops where the Old Mission School existed is under construction. Since Messrs.M.S.Siddappa & Sons who had been permitted to open shops facing the circle after dismantling the front portion of their present building as per approved plan, has not actually done so, it is under consideration to acquire the existing building to the Trust Board. The expenditure to end of June 1946 on this work is Rs.1,773/- against the estimated amount of Rs.2,700/-.

(2) Square in front of Motilal Talkies:- All the properties required in connection with the formation of this circle have been acquired. The expenditure to end of June 1946 on this work is Rs.10,310/-. Further payments on account of acquisition of the acquired properties were made during 1946-47, to the extent of Rs.26,230/-, against the estimated amount of Rs.36,540/-.

(3) Forming a circle at the junction of Viceroy Road and Dhanvantri Road:- The amount of the estimate for this work is Rs.2,400/-. The outlay to end of June 1946 is Rs.1,415/-. The work is now completed.

(4) New Santepet and Filling up Poornish Nala:- No work was done in this direction during 1945-46. As the Railway Department have recently consented to give cinders free of cost, the portion of Poornish Nala in front of the New Santepet is being filled in.

(5) As stated in the last year's report, since the New Procession Route passes through the New Bamboo Bazaar Road and it is considered not desirable to stock bamboos, timber and such other inflamable materials on this road, it has been finally ordered by Government that this Bamboo Bazaar should be shifted to the Mysore South. It is estimated that the probable cost of acquisition of the existing shops will be about Rs.2.2 lakhs. A layout plan for providing 48 sites in the proposed new area, near Mysore South to accommodate the Bamboo Merchants, received from the Consulting Architect is approved by the Board. An estimate for Rs.31,325/- for acquiring the survey lands in the Mysore South is approved by the Trust Board during July 1946.

(6) Formation of a straight road to Yadavagiri Extension across Poornish Nala and forming approach road:- The work is in progress. An outlay of Rs.4,041/- has been incurred during September 1946, when the work is completed. This road will afford a very short cut to Yadavagiri and Vanivilaspuram exten-

(7) Forming New Dhanvantri Road to the South of K.R.Hospital compound:- The estimated cost of the acquisition of 36 properties required for formation of shops on this road is Rs.60,000/- and for dismantling is Rs 6,000/-. The properties are in the awarding stage.

For the road portion two estimates, one for road crossing Rs.6,850/- and the second for metalling the road Rs.4,960/- have been sanctioned and the works are in progress and expenditure of Rs.2,146/- and Rs.1,914/- respectively have been incurred to end of June 1946,

(8) Forming road between Seshadri Iyer and Viceroy Roads:- This road is completed in all respects The total expenditure on this work is Rs.19,251/- against the sanctioned estimate of Rs.18,500/-.

(9) Improvements to New Bannimantap Route:- The metalling of the road, forming circus, curbing foot-paths, cutting and forming the high mound on the right side of the road beyond the Municipal Choultry had been completed during 1944-45 only The construction of stone gallery was taken up and completed. The permanent band stand was also finished. Ornamental tree guards for the avenue plants were provided Some more works, not provided in the originally sanctioned estimate of Rs.96,000/-, but found absolutely necessary for the completion of the road costing Rs.80,000/- has been executed and the detailed estimate for this has been sanctioned by Government. The most important items of works referred to above are:-

(a) Constructing open drain and shoulder drains costing.	Rs.17,500
(b) Constructing steps and rockery round the Band Stand.	5,940
(c) Providing flight of steps to the Band Stand.	4,000
(d) Widening the foot-paths from 9th to 13th furlongs.	9,940
(e) Widening the loop road from Old Ooked to Bannimantap. ..	4,930
(f) Constructing cistern and erection of Elgin Fountain. ..	7,500
(g) Sinking well and inserting pipes..	13,800

(10) Widening the Foot-path on either side of Viceroy Road between the Railway Station Circle and the newly formed circle in Dhanvantri Road:- The sanctioned estimate of Rs.8,750/- had to be revised to Rs.21,400/-. This work has been nearly completed. The statement of works show the progress secured on the several works taken up during the year.

34. Block Plan Surveys of Mysore City:- The printing of the contour maps of 99 old blocks of the City and 39 blocks of the extensions, for which Government sanctioned a sum of Rs.2700/- is since completed and the maps were received from the press during 1946-47.

35. Resume of works in the Mysore City Improvement Trust Board:- This resume which is under compilation by Mr. B R. Manickam, Trust Board Engineer (now Assistant Secretary to Government P.W.D.) is not yet received from him. As requested by the Assistant Engineer, the services of a Typist from the Public Works Secretariat was placed (part time) at his services for one month for typing the resume. But the work is not yet completed by him and the resume is not received in this office.

36 Special Schemes:- (i) Formation of a direct road from Old Elgin Fountain to District Offices:- The estimated cost of this road is Rs.8,20 000/- But it has been ordered by Government that the 1st and 2nd stages of the work (i.e.,up to Barumiah Road) may be taken up first pending further orders of Government re funds for further works. The cost of acquisition of the properties for the 1st & 2nd stages as awarded by the Special Land Acquisition Officer is Rs.3,13,464/- for all the 74 properties to be taken possession of. Government have sanctioned an advance of Rs.1,50,000/- during 1945-46 and a further advance of Rs.1,40,000/- during 1946-47. A reference has been made to Government for a further advance of Rs.23,464/-. Apart from the acquisition charges, the cost of the regular establishment as well as the temporary work establishment is to be charged to this scheme. The dismantling of the properties is just

started. At present, this scheme is assumed to be self-supporting as the realisations by sale of shop sites round the Statue Square and along the proposed straight road is expected to meet the cost of this scheme. But as the owners of the properties now acquired have demanded compensation amounts much in excess of the amounts of awards now passed by the Special Land Acquisition Officer, it is likely that the final acquisition charges, to be decided by the Court, will be more than the amount now awarded. In that case, this will not be a self-supporting scheme.

The realisations from the dismantling materials are expected to amount to a lakh of rupees.

(ii) Improving the Anesarote road to the west of the Devaraja Market:- This is an important scheme involving slum clearance work in a prominent locality. But for want of necessary funds to the extent of Rs.70,000/- it has not been possible to undertake this scheme even this year.

(iii) Improving Makkaji Chowk:- This is an important scheme of improvement in the City. It consists of old and unsighly properties in the form of a triangle situated to the east of Sayaji Rao Road just beyond the Curzon Gate and to the north of Sivarampet road leading to Gandhi Square. The acquisition of these properties had been approved by the Board. Due to the very heavy cost of acquisition, and want of funds the scheme is deferred for the present. It is very essential that this congested and ugly triangle is acquired at once in the interest of sanitation and for providing moving space to the public who resort to the Devaraja Market and Sayaji Rao Road particularly in the evenings.

(iv) Shifting Kuruberahalli Village:- This Village is in close proximity to the Lalitha Mahal, Mysore Palace and His Highness Body Guard. It has been in an insanitary condition, being a source of infection every now and then. Hence this Village has been proposed to be shifted near Kyatharamahalli Village. An estimate for Rs.70,000/- has been sanctioned for this work and

special grant allotted by Government. The properties of this Village are under award and the sites have been laid out, roads formed and wells sunk.

37. Special Schemes under consideration:-

(i) Improving Mangalori in Mardi Mohalla - Estimate Rs.10,000/-: An estimate amounting to Rs.10,000/- had been forwarded to Government in this office No.D2.C.240/45-46 dated 24th February 1946, stating that the work cannot be taken up by the Municipality or the Trust Board for want of funds from their normal grant. Government have intimated that the work relating to metalling of road (Rs.3,000/-) and repairs to the drains (Rs.2,200/-) are to be attended to purely by the Municipality. They have ordered that if the Municipality agree to bear half of the remaining portion of the estimate, Government would consider the question of granting the other half. The opinion of the Municipality has been called for on the above points.

(ii) Improving Jalapuri Extension - Estimate Rs.9,650/-:- Government have already accorded sanction to this estimate, with the observation that the Municipality has to meet half the estimated cost of constructing bath rooms and well (Rs.2,325/-) vide G.O.No.L.13-17 dated 1-10-46. The Municipality has been addressed in the matter of depositing Rs.2,325/- with this office. The work will be started early.

(iii) Improvements to Adharlatakapuram at Mysore - Estimate Rs.25,000/-.- Government have, in their letter No.L.1340 dated 30-5-1946 stated that half of the cost of this estimate viz., Rs.12,500/- will be provided for from State Funds, and that the other half has to be borne by the Municipality. The Municipality has agreed to this. The work will be started very early.

(iv) Tarring important roads in the City - Estimate Rs.2,26,000:- This work has since been arranged to be executed by the Municipality.

(v) Treatment of tanks in & around Mysore City for anti-mala-

<u>rial treatment - Estimate Rs.1,40,000/- & since modified to Rs.39,000/-:-</u> An estimate for Rs.1,40,000/- had been submitted to Government for the above work It was returned by them for resubmission after further scrutinizing the same and omitting such of the items as have already been completed. As per suggestions of the Chief Engineer for Irrigation during the inspection with the Chief Engineer for Roads & Buildings and the Chairman, City Improvement Trust Board, the estimate is modified and sent to him, with this office No D2.C.103/46-47 dated the 26th October 1946.

(vi) <u>Cement concrete Kalasurhanda Roadway - Estimate Rs.35,500/-:-</u> This is an important road frequently visited by distinguished guests and leading to Lalithamahal. Hence this work is urgent An estimate for Rs.35,500/- has been forwarded to Government in this office No D2 C.243/45-46 dated 24th February 1946, the cost being proposed from special fund to be sanctioned by Government.

(vii) <u>Metalling Kalasurhanda Roadway - Estimate Rs.33,500/-:-</u> An estimate for Rs.33,500/- has been forwarded to Government in this office No D2.C.290/45-46 dated the 29th March 1946. Government have stated that the Chief Engineer for Roads and Buildings has scrutinized the estimate for Rs.32,000/- only. The estimate is ordered to be resubmitted to Government after the Budget for 1946-47 is sanctioned to see what amount would be possible to be provided for this work during the year. As the Budget estimate is received sanctioned, the above estimate is being resubmitted to Government separately

(viii) <u>Pre-mixing with tar the Hyderali Road-- Estimate Rs.9,500:-</u> An estimate for Rs.9,500/- had been forwarded to Government in this office No.D2.C.321/45-46 dated the 13th April 1946. The estimate is reported to have been strutinized for Rs.9,900/- only by the Chief Engineer for Roads and Buildings and it is ordered that funds required for this work has to be got by re-appropriation of sanctioned grants But as the grant sanctioned by Government in the current year's budget are not sufficient to meet such large item

of work, it is necessary that special funds are provided for this work by Government.

(ix) Construction of additional septic tank near Sewage Farm - Estimate Rs.80,500/-:- The existing septic tank, which was constructed about 30 years ago is now found to be quite inadequate due to the increased population of the City. It is found necessary to provide an additional septic tank to treat the increased quantity of sewage work. An estimate for Rs.60,600/- had been submitted on 8th June 1946 for the additional septic tank but it was returned by Government in their No.1130/T.&.P., dated the 31st July 1946 for resubmission after the Budget for 1946-47 is sanctioned. This is therefore resubmitted to Government for sanction on 16th November 1946.

(x) Shifting of the burial ground near Chamundi Hills - Estimate Rs.40,000/-:- The existing burial ground which is very close to the City had been proposed to be shifted to the foot of the Chamundi Hills. But the Municipal Council did not approve of this proposal as it is said to involve great inconvenience and hardship to the public. Hence this question has been dropped for the present.

(xi) Providing silk pattern drain of 6' wide in the Poornish Nala for conveying sullage water up to the crossing Kumbalkoppal Road - Estimate Rs.25,000/-:- This item of work is quite necessary to improve the health of the locality. Government have sanctioned this estimate for Rs.25,000/- in their Order No.J.7441-3/M1 39-46-20 dated the 21st November 1946 with instructions to meet the expenditure out of Yadavagiri and Bonaimantan Extension Funds.

(xii) Canalising the halla behind the Jail buildings - Estimate Rs.7,500:- Due to the insanitary condition in this locality and to improve the health of the surrounding area, this work is proposed. The halla is proposed to be canalized and formed with a storm water drain by protecting the sides with rough stone. The cost of this work which is estimated at Rs.7,500/- has to be provided for separately by Government, as it is not possible to find funds for this in the

normal budget. (This is since ordered to be taken up by the Municipality vide Revenue Secretary's letter No.L.7435 dated the 28th November 1946).

Report on the Administration of the Mysore City Improvement Trust Board, for the year 1945-46, received from the Chairman, with his letter No Al C 191/46-47 dated 4th February 1947

ORDER NO 26 13350-4/ml 73-46-5

DATED 2/4/47

Recorded

2 Constitution - Mr. R Ramachandra Rao Bhombore, B A , continued as Chairman throughout the year The term of the office of the Trustees of the Board, as reconstituted in G O No L 10209/Ml 193-44-2, dated 12-4-45, for a period of two years, continues till 12th April 1947

3 Meetings - The Board held 12 ordinary Meetings, one special meeting and two Adjourned meetings The average attendance at the meeting was 83 7 as against 77 7 during the year 1944-45

4. Finance - The total receipts including the opening balance of Rs 1,01,039 and the advance of Rs 1.50.000. sanctioned by the Government in connection with the formation of a new road from the Old Elgin Fountain to District Offices, was Rs 12,36,712 The total expenditure under all heads amounted to Rs 8,81,070/-

as detailed below, leaving a closing balance of Rs, 3,55,642/-.

1) Acquisition of properties etc.	Rs. 1,77,365
2) Construction of drains and other works	1,16,589
3) Establishment charges	39,045
4) Suspense Accounts	1,64,478
5) Narasimharaja and Palace Building Funds	11,393
6) Lay out of extensions	3,72,200

5. Acquisition - The services of the Personal Assistant to the Deputy Commissioner, Mysore as part-time Land Acquisition Officer of the Trust Board were discontinued from 1-7-1946 The Special Land Acquisition Officer of the Status of an Assistant Commissioner sanctioned for the work of the acquisition of properties in connection with the Elgin Fountain straight road scheme was entrusted with the acquisition of other general properties in the Trust Board, due to the termination of the services of the part-time Land Acquisition Officer

The number of properties acquired during the year was 105 Out of this, 57 properties relate to the Elgin Fountain straight road scheme and the rest relate to general properties excluding Survey Nos. ——— The number of unpaid awards at the end of 1945-46 was 80, as against 99 cases during the previous year In addition to the 7 cases of acquisition of agricultural land referred to the Revenue Department,

and pending at the beginning of the year, two more were referred in the course of the year Of these, 2 were disposed of during the year, the balance number of pending cases at the end of the year being 7 A sum of Rs 15,028 was paid towards the old and new cases of acquisition during the year Necessary instructions should be issued to the Land Acquisition Officer to dispose of all the old pending Land Acquisition cases

It is seen that the total number of cases pending in the Court at the end of the year was 27 Action should be taken towards their expeditious disposal

6 Construction works - One hundred and ten works (84 incomplete works of previous years and 26 fresh works) were in progress and the amount spent on them was Rs 1,16,589/- A total of 109 underground sewage connections were given during the year, as against 77 during the previous year The several underground drainage works executed during the year were mainly in the 1) Ramanuja Road, 2) Dhanvanthri Road, 3) Saraswathipuram, 4) Chamaraja Mohalla, 5) Idiga Extension

The extablishment sanctioned for surveys of the areas for which underground drainage is still to be provided joined duty during October, 1945 An abstract consolidated estimate amounting to

Rs. 20,00,000 for providing underground drainage for all the unsewered areas in the city, has been prepared by the special staff The work is programmed to be completed in five years and the question of financing the scheme is under examination. The construction of 26 Model houses for sweepers at Jalapuri extension, at an estimated cost of Rs 20,150/- was under xxxx progress and the work is nearing completion

General The important schemes of acquisition which were attended to during the year were -

1) Acquisition of properties for the formation of a circle in front of Motilal Talkies.

2) Acquisition of Survey Nos for the formation of Yadavagiri, Paduvarahalli, Chamundipuram and Saraswathipuram extensions

3) Formation of a straight road from the Elgin Fountain to District Offices.

4) Acquisition of properties near Mysore House for Improvement purposes

5) Slum clearance and general improvements

Out of 1,219 sites available, 492 sites were sold during the year leaving a balance of 727 at the end of the year Including instalments, etc due in the year in respect of sites sold during the previous years, a sum of Rs 5,33,523 was actually realised during the year

In spite of a number of extensions having already been formed and fresh sites laid out in suitable areas, the number of good and cheap

houses in healthy localities has been found insufficient The Board is requested to take effective steps in this direction

Important schemes engaging the attention of the Board were - 1) Formation of a new Industrial Suburb near the Mysore South Railway, 2) Shifting the Bamboo Bazaar from the New Procession Route to the Mysore South, for which purpose an advance of Rs 2¼ lakhs has been sanctioned by Government, 3) Formi: New Dhanvanthri road to the south of Krishna-rajendra Hospital compound, 4) Improvements to New Bannimantap Route

The ~~xxxxxxx~~ resume of the work done by the Trust Board during the last 40 years should be got printed without further delay

Special Schemes - Action is being taken to shift the Kurubarahalli village, which is in an insanitary condition, near the Kyathamanahalli village A grant of Rs 70,000 has been sanctioned by the Government for the purpose

The Schemes relating to 1) Improving the Makkaji Chowk, 2) Treatment of tanks in and around Mysore City for anti-malaria purposes, 3) Improvements to Adikarnatakapura 4) Construction of an additional septic tank near the Sewage Farm, 5) Shifting of the burial ground near the Chamundi Hills, 6) Acquisition of "Krishnagara" Gardens for grazing purposes, were under the active consideration of the Board

The working of the Trust Board during the year was satisfactory
